

S. C. Computer/Genealogy Special Interest Group (SIG)
Interested Topics Survey (for 2013-2014)

The purpose of this survey is to provide direction for addressing the topics of interest for those members who may attend the Computer/Genealogy SIG beginning in September in the 2013-2014 year. Those topics that have the word, *update*, after them were given last year.

Please check the following topics according to your interest in the topic for the Computer/Genealogy Classes. Leave **blank** those topics you have **no** interest.
