**MONTHLY COST** Call ISP as prices and promotions change frequently. You must have an existing telephone line or a cable line present in your residence (or have one installed) to provide a connection point for ISP service. Dial Up starts at around \$10/month and high speed at \$25/month. Cox and Embarq are the major ISP's in Las Vegas.

**Inquire as to cost of modem ( purchase [from ISP or computer store] or lease), install fee vs. self install and any contracts or fees (install, cancellation) as well as availability of seasonal service**

**NOTE:\*Provides in-home connection (cable modem or Digital Subscriber Line [DSL] modem), internet access & multiple email addresses.**
